

## *New Night Owl Fun!*

Hello Everyone!

We're are pleased to announce that we've become the new Co-Chairs of the Night Owls! We both graduated this past year (Katie from Chi here at the University of Minnesota, Mariel from Zeta Epsilon out at Lawrence University) and are so excited about heading up this group and getting some fun informal alumni events planned. We have a lot of ideas, and can't wait to make them happen.

Our first event is going to be a Happy Hour for the older Kappas alums to welcome in the brand new Kappa alums from Chi chapter! We'll be meeting Tuesday, May 19th, at the new restaurant Crave in Mall of America from 5-7 PM for appetizers and drinks. Check out the selection at [www.cravemn.com](http://www.cravemn.com), and mark your calendars!

Right now, our plan is to do something once a month, but the success of Night Owls depends on you! Please feel free to share ideas for events, when would work best for you, etc. If you'd like to be added to the email list to be notified about future events, please contact us at [twincitieskkg@gmail.com](mailto:twincitieskkg@gmail.com). You can also join the Facebook group we've set up - just search Kappa Night Owls.

Hope you all are enjoying Spring in Minnesota! We'll see you May 19th!

## **Membership Recruitment for College**

Every day it's starting to get warmer and here we have high hopes that it will NOT snow in May. Overall, the college semester is close to an end and the Kappa collegians will begin to enjoy their summer.

This is the time when we start thinking about Recruitment and reference young woman that are interested in joining Kappa Kappa Gamma. Please look at the recruitment information in The Key. Each

school is listed and has the correct address to direct reference and legacy forms to. Both of these forms are in The Key as well but just in case we have attached them to this newsletter.

Please take a look at these forms and let's continue to reference and recruit bright young college woman who strive to set a standard on their campus and in the community!

# Six Degrees of Kappa Kappa Gamma

The Kappa Kappa Gamma Foundation just launched this program based on the “six degrees of separation” theory. Nancy O’Dell, a kappa at Clemson and host of Access Hollywood is the celebrity representative. “Are you six degrees from Nancy O’Dell?”

Email messages have been sent to Kappa’s whom the Foundation has emails for. Those that receive this email are asked to watch a quick video with Nancy O’Dell and at the end you’ll view a list of your chapter’s sisters to see who may be on the “lost alumnae” list. If you see a Kappa whom you have an email address for and they’re a “lost alumnae” you can add their email. You’re also asked to forward this email onto your fellow sisters so they can personally reconnect with Kappa.

If you didn’t receive this email maybe you’re a “lost kappa” please contact Headquarters with your email address at [kkghq@kkg.org](mailto:kkghq@kkg.org).

The TCAA is very greatly for this program and we all hope you take advantage of this campaign and help “lost alumnae” reconnect with kappa on a national and local level. Please take five to ten minutes in the next few weeks to contribute to this program. The more email addresses the Foundation is able to collect the more our association and others will be able to go green and be more eco-friendly. With emails we’ll be able to reach more people for less money and can focus on giving back to the Foundation and the local Chi Chapter.

*Below you will find two easy ways to update your information!*
