DELTA EPSILON, *ROLLINS*

Over the years, many of our Central Florida Alumnae Association members, and members of associations from around the nation have dedicated their time to Delta Epsilon chapter at Rollins College in Winter Park. In the most recent issue of *The Key*, Fraternity Council announced that, as of April 23, chapter operations were suspended, and all members in good standing were granted alumna status. Please direct any inquires or comments regarding Fraternity Council’s decision to the Regional Director of Chapters, Alison Kostek via email at kkgrdc3@gmail.com.

ETA ETA, *UNIVERSITY OF CENTRAL FLORIDA*

Please join us in congratulating Eta Eta on its new chapter house! The sisters of Eta Eta graciously hosted a tea in their new home to share their beautiful new space with alumnae. We are sure that the new house will foster further success for this outstanding chapter on UCF’s campus. Congratulations, Eta Eta!
